

## Here you will create the Hazardous Substances used or stored in your organisation.

Use the filters and search bar to find specific items that may require updating.

1. From Administration/Hazards & Risks/Hazardous Substances click **+ADD NEW**

2. Type in a Title.
3. Complete the Description.
4. Tick the required GHS icons that apply for this substance.
5. If staff need access to SDS for this substance tick the Safety Data Sheets Available box.
6. Click **SAVE**.

Home / Administration / Hazardous Substances

**6** **SAVE** **DELETE** **BACK**

Title

**2** CRC 3055 Silicone Spray

Description

**3** CRC 3055 Silicone Spray 808 Aero 330GM

GHS - Global Harminsation Standard

**4**

**5**  Safety Data Sheets Available

### NOTES:

- When you tick the box for SDS available this adds a new record to [Documentation/Safety Data Sheets](#). You will need to upload the required document to make it available to staff and attaching to SWMS.
- You can now add records to the [Registers/Hazard Registers/Hazardous Substance Stored](#).
