

Vaccine Types

Navigate to Administration/Injury & Health Management/Vaccine Type and click **+ADD NEW**.
These are used in [Registers/Administrative Registers/Vaccination Record](#)

The screenshot shows a web application interface for managing Vaccine Types. At the top, there is a breadcrumb trail: Home / Administration / Injury & Health Management / Vaccine Type. To the right of the breadcrumb is an orange button labeled '+ADD NEW'. Below the breadcrumb is a blue toolbar with icons for EXCEL, PDF, FILTER, and GROUP, followed by a search input field with the placeholder text 'Search...'. The main content area is a table with two columns: 'Title' and 'Description'. There are two rows of data:

Title	Description	
Covid 19	Corona Virus	
Influenza	Influenza vaccine [RIV4]	

1. Type in a Title.
2. Type in a Description if required.
3. Click **SAVE**.

The screenshot shows the form for adding a new Vaccine Type. At the top, there is a breadcrumb trail: Home / Administration / Injury & Health Management / Vaccine Type. To the right of the breadcrumb are three buttons: a red button labeled '3', a green button labeled 'SAVE', a red button labeled 'DELETE', and a grey button labeled 'BACK'. Below the breadcrumb is a 'Title' label followed by a text input field containing the text 'Influenza'. A red number '1' is positioned to the left of this input field. Below the title field is a 'Description' label followed by a text input field containing the text 'Influenza vaccine [RIV4]'. A red number '2' is positioned to the left of this input field.
