

Here you can access Customer Documents that have loaded into the system in the web app under [Documentation/Company/Business Registration Certificate](#).

1. From the Main Menu select Documentation.
2. Select Business Registration Certificate.
3. Type in the search bar to narrow down the selection.
4. Click on the item you wish to view – click the link to see notes for viewing [PDF](#).
5. Click the X to clear the search box.
